

## What the Club Plan Is And What It Means to You

The Club Plan is an extended payment plan instituted purely and simply for the convenience of our patrons who wish to buy Household Goods, such as Furniture, Carpets, Rugs, etc.

When you join the Club Plan you are asked to pay 3 per cent of the amount of your purchases for joining; for instance

- The membership fee on a \$25.00 purchase would be 75c.
- The membership fee on a \$50.00 purchase would be \$1.50.
- The membership fee on greater purchases would of course be in proportion.

You are then asked to pay 10 per cent of your total purchase as the first payment. For instance, on a \$25.00 purchase you pay \$2.50 down in addition to the membership fee, making a total of \$3.25. The goods are then delivered to you and you arrange to pay the balance in small weekly or monthly payments.

When you consider that goods bought on the Club Plan are purchased at our cash prices—whether special or regular—you will more clearly see that our membership fee is nothing in comparison with the additional cost installment houses place on their goods for the privilege of time payments.

FURNITURE, CARPETS, RUGS, HOUSE FURNISHINGS AND OTHER HOUSEHOLD GOODS ARE SOLD ON THE CLUB PLAN

Any further information regarding the Club Plan will be cheerfully given by our salespeople or at the Credit office on the fifth floor.

**RIVERVIEW.**

Ellise Tuell Smith, "The Kentucky Girl," who has been entertaining park patrons at Riverview this week with her "character" songs, has been engaged by the management for another week. Beginning with Sunday afternoon Mrs. Smith will introduce a new "coon song," which is declared by its publishers to be the hit of the season. It is entitled "I Wonder Where My Lovin' Man Is Gone." Besides Mrs. Smith there will be three other singers on the programme next week.

**MARRIAGE A SURPRISE.**

John M. Burky, the successful young grocer at Seventeenth and Magazine, and Miss Margaret M. Wright, a most attractive and accomplished young lady of the West End, slipped over a surprise on their wedding day by being quietly married on Tuesday evening of last week at the Sacred Heart church, Rev. Patrick Walsh performing the ceremony. They have been spending their honeymoon at Niagara Falls and the East, and since their return Thursday they have been receiving friends and congratulations at their home.

**HOLY LIFE ENDS.**

The Right Rev. John M. Lucoy, Vice General of the diocese of Little Rock and for forty-two years pastor of St. Joseph's church at Pine Bluff, died Saturday at San Antonio, Texas, where he had been ill for some time. Father Lucoy was seventy-one years old, a prominent Confederate veteran and a writer of note. In 1903 he was made Monsignor by Pope Pius X. a deserved recognition for his services to his church and people. Father Lucoy was widely known throughout the Southern States and held in high esteem by all denominations.

**TWIN CITY LEAGUE.**

The Champions were given the scare of their life in the Catholic Baseball League last Sunday by the Mackin Council team, the latter team playing the best game from a fielding standpoint, and were just nosed out in a 5 to 4 game. The Imperials simply toyed with the K. of C. team and won by a 11 to 2 score. Ragged support behind Ray Haragan kept the Shamrocks from pulling the Olympics out of the tie for first place, the score being 8 to 6 in favor of the West Broadway boys, who played an excellent fielding game. The Trinity team had easy sailing defeating the patched up Bruins in an uninteresting game of 16 to 3, the management of the Bruins having hurt the excellent chances of their team by refusing to live up to league regulations. The schedule for tomorrow is as follows: K. of C. vs. Olympics, Bruins vs. Champions, Trinity vs. Mackin and Imperials vs. Shamrocks. The standing to date:

Club Won Lost Pct.  
Olympics..... 8 1 .889  
Champions..... 8 1 .889  
Bruins..... 6 3 .667  
Shamrocks..... 4 5 .444  
Trinity..... 4 5 .444  
Mackin..... 3 6 .333  
Imperials..... 2 7 .222  
Knights Columbus 1 8 .111

**FOURTY HOURS.**

In this city tomorrow the Forty Hours Adoration will begin with the high mass in the Church of the Immaculate Conception, Eighth and Grayson, and continue until Tuesday. Rev. Father Westermann, the pastor, will be assisted by a number of his brother priests.

**FONTAINE PERRY.**

Day and night Fontaine Perry has been thronged with people delighted with that popular resort. For next week Manager Bilker will present a bill that includes Willa Holt Wakefield, piano monologist, on her farewell tour; J. C. Nugent, in a one-act playlet entitled "The Regular," assisted by Julie York; Vina Bailey, a popular prima donna, offering operatic selections; Harry Paul and Hazel Boyne, in musical comedy, and Wilson and Aubrey, comedy gymnasts and wrestlers.

**COLOMBUS HOME MONDAY.**

Louisville will close their road trip with a double-header tomorrow at Indianapolis, the extra game being advanced from Monday, this giving the team an opportunity to play Monday with Columbus, who will be here for five straight days, the Louisville team then going to Cleveland for a double-header on July 4 and the two games following, returning home to begin a long home series, their first game being with the Milwaukee team, who lately have been striving for unenviable honors, their dirty ball tactics making them the most despised ball team in the association. Although the press dispatches did not give McLarry any of the best of the argument concerning the trouble in Milwaukee Tuesday, the fact remains that he has never had any trouble heretofore, while on the other hand Phil Lewis and his teammate Barbeau have always been considered as the two foulest players in this association, both being fired from the game oftener than any one else in the past several years. Then again papers throughout the circuit have commented upon the bean ball pitching of Slapnicka and Cutting, nor does it appear to have been an accident when Braun hit McLarry in the ribs Tuesday, or that Lewis was innocent when the ball was knocked out of Severoid's hands at the home plate early in the fray. For the good of the game men like Lewis and Barbeau should be suspended indefinitely.
